But *Bluster* is unlike any other snowman you've seen. You don't have to worry about this frosty friend melting away!

NEW Jolly

As festive a sight as old St. Nick himself, *Jolly's* playful, potbellied base is cinched in a wide black belt and silver buckle. Glazed in bright, Christmas red and trimmed with a contrasting white dish, you won't be able to resist this very merry midriff! DSW-JOLY \$35

NEW Merry Berry [®]

What would the holiday season be without a wreath of holly berries adorning the front door or a garland draped across the mantle? *Merry Berry* celebrates a delightful symbol of the winter holidays, red holly berries and festive green leaves, scattered across a simple cranberry base. DSW-MBRY \$35

Silent Night [G]

Recalling the long-ago night in Bethlehem where it all began, *Silent Night* features a Nativity scene lit from within, complete with vent holes shaped like brightly shining stars. In deep indigo and ivory, this warmer glows with tradition and “heavenly peace.” DSW-STNT \$35

Prancer

A fresh interpretation of a classic holiday theme. Boldly debossed on a cranberry-red, glossy background, the black silhouette of a single prancing reindeer with curling antlers—accented by gently falling snowflakes—will add drama to any holiday display. DSW-PRAN \$35
