## #15 GAME

Build attendance at parties by telling the Host you'll have special prizes to award at the party if she or he has at least 15 guests. Space the gifts throughout the evening. You could give gifts for:

1. A guest who's been married 15 years or more
2. A guest who has a total of 15 children and grandchildren
3. A guest who has a total of 15 letters in her first and last name
4. A guest who has a child 15 years old
5. A guest who has a birthday on the 15th of the month

Be sure to bring enough gifts in case more than one guest qualifies for each 15 you announce.

## INTRODUCTIONS/ICEBREAKERS

### NAME GAME

Have each guest introduce themselves by using a descriptive adjective that starts with the first letter of their name. For example: "I'm delightful Dorothy." Each person, in turn, tells the names of the people before them and then adds their name and adjective. For example, Matt would say, "This is delightful Dorothy and I'm manly Matt." You can arrange it so the Host is the last to name everyone and could receive a small prize.

### TRY IT, YOU'LL LIKE IT

Start by introducing the Host and saying something nice about him or her. Then have the Host introduce the person on his or her right and say something nice about them. Continue around the room until each person has introduced the person next to them and said something nice about that person.

### THE TO-DO LIST

Write the following list on a piece of paper, mixing up the order of the list on each sheet. Exception: Be sure that all lists have the same thing for item #7. Pass a list to each guest and ask her to do each action on her list in the order in which it is listed.

1. Shake hands with 5 people
2. Say your name loudly
3. Look out the front door
4. Introduce yourself to the Scentsy Consultant
5. Flap your wings like a bird
6. Take off your right shoe and leave it in the center of the room

**\*\*7\*\* THIS IS NUMBER 7 on each list. Go to the display, choose a product, and take it back to your seat.**

After all guests have chosen their items, choose a guest go to center of the room, put her shoe back on her foot, tell the other guests why she chose the item she has, and present it. Each guest receives a prize.

### BALLON (ICE) BREAKER GAME

As guests enter, have each pick out a balloon from a bowl. When you're ready to start the party, explain that the first person to blow up their balloon, tie it, sit on it and pop it will win a free gift. This is a great icebreaker for any group; it gets everyone up and laughing!

### PASS THE BAG

Put a fun Scentsy item in a brown paper bag and staple it shut—no peeking. Give it to the first guest to arrive. After everyone has arrived, have the guest with the bag pass it to a person who matches the first description on the list below (and so on). The person left holding the bag at the end of the list gets to keep the prize.

### PASS THE BAG (cont'd)

1. Person with the most buttons
2. Person with the smallest shoe size
3. Person with the largest earrings
4. Person with the most children
5. Person who's been married the longest
6. Person with the youngest child
7. The tallest person
8. The last person to arrive at the party
9. The person with the most letters in their full name (first, middle, and last)
10. Person on their right

### DON'T SAY IT

When guests arrive, give each a clothespin and instruct them not to say the word “Scentsy” (or other buzzword of your choice) during the entire party. If someone catches another person saying the word, the “catcher” gets to take the offender’s clothespin. At the end of the party, the person with the most clothespins wins a prize.

### SCENTSY PARTY MAD LIBS

Ask guests for one noun and 11 adjectives and then fill in the blanks.

Hello, I represent \_\_[NOUN]\_\_, the \_\_\_\_ company in the world. We sell the \_\_\_\_ products. I am very pleased to be in this \_\_\_\_ home tonight. We must admit, we have a \_\_\_\_ Host. Of all the groups I have ever held a party with, you are by far the \_\_\_\_\_. And once again, I want to thank our \_\_\_\_ Host for inviting me into her home this evening. I'm sure that by the end of the evening, you will agree I am the \_\_\_\_ Consultant you have ever met. I hope that you'll have such a good time tonight you'll want to invite me into your \_\_\_\_ home, so that you can receive some of our \_\_\_\_ merchandise free, too. Now I will continue with our presentation because, afterwards, our \_\_\_\_ Host will be serving some \_\_\_\_ refreshments.

### DOOR PRIZE GAMES

#### PEN GAME

Use this game to select a door prize. Put small labels—each featuring a different number—on your pens. At the beginning of your presentation, ask guests to write their pen number on their order form and circle it. At the end of the presentation, collect all the pens and have your Host pick one. The matching number wins. This is also a great way to get your pens back!

#### GIFT IN A BALLOON

As each guest arrives, hand them a balloon and say “This is yours for the evening. Hang onto it and don’t trade it away. You may be holding the special balloon!” If guests ask questions about what’s inside, just smile! When you open the party, casually remind guests to hang onto their balloons, letting them know they own the balloon and the gift inside. When you reach the point in your party when you talk about booking a party, say, “Ok, you all have your balloons, and by now you’ve figured out there’s a special gift inside from me! If you decide to book a party this evening, the gift is yours and you may pop your balloon to discover what you’ve won; otherwise you must return the balloon to me. If three of you pop your balloons, then the Host gets to pop his/hers as well.”

There won't be a person in the room who isn't dying to know what their prize is...and not a single one who wants to give her balloon back. And your Host will also want to pop hers to see what her mystery prize is, so she will work to get others to pop theirs. Guests must bring their balloon to you with their order and pop the balloon with you. It works!

### **GIFT IN A BALLOON (cont'd)**

You can choose what items to put inside the balloons. Decide how much you're willing to spend to "buy" a show, and then select items from the catalog using that figure as a base.

### **GIFT DRAWING**

Tell your guest that for every \$20 (or other amount you determine) they spend with you, their name goes into a drawing for a free gift. Choose fun, inexpensive gifts like Scent Circles™ or Travel Tins™.

### **FIRST TO ARRIVE AT THIS NUMBER**

Choose a number based on the date or the party time, and give a prize to the first person whose party order totals at least this number. For instance, at a party on the 21st of the month, the first guest to turn in an order of at least \$21 (before tax and shipping) wins.

### **SELLING SCENTSY GAMES**

#### **THE SCENTSY STORY GAME**

Hand a guest a Scent Circle™ and ask them to pass it to the person on their right each time you say "Scentsy" or a word with "Scentsy" in it as you read the story below. The last one with the Scent Circle gets to keep it!

Here's the story:

Scentsy was started in Centerville, Utah, in July 2003 by Colette Gunnell and Kara Egan. Colette and Kara were both stay-at-home moms looking for a safer alternative to candles. Orville Thompson encountered the small company at a home show in early 2004 and brought some samples home. Orville and his wife Heidi were intrigued by the powerful emotions and memories the fragrances brought to the surface without the dangers of a burning candle. Orville and Heidi purchased Scentsy and relocated it to Meridian, Idaho, where it continues to grow very rapidly. Scentsy experienced a 400% increase in each of its first three years of operation.

In 2010, Scentsy was named the number one consumer-products company on the Inc. 500 list and the number of current Scentsy Independent Consultants hit the 100,000 mark. Scentsy Consultants share the Scentsy experience throughout the United States, Puerto Rico, Guam, Canada, and in 2011, Scentsy expanded into Europe.

Authentic Scentsy bars contain highly scented wax, made especially for authentic Scentsy warmers. They are leadless, wickless, flameless, and smokeless. Authentic Scentsy warmers are electric, and wax is heated by a low-watt light bulb. An on/off switch is conveniently located on the cord. Scentsy warmers also make excellent night-lights!

You can order Scentsy warmers and highly scented wax bars at any Scentsy party. Better yet, when you schedule a Scentsy party in your home or take a Scentsy basket party to work, you can earn free Scentsy products and other generous Scentsy Host Rewards.

If you're interested in an unlimited income potential, you like people, and you love Scentsy, I'll be happy to talk to you after the party about becoming a Scentsy Consultant!

Now, enjoy this "scentsational" Scentsy party, the other Scentsy guests, your "scentsationally" charming Scentsy Host, and most important, your authentic Scentsy warmers and the wide variety of Scentsy fragrances and other products.

## GUEST DEMOS

Distribute catalogs before your presentation. As you present each item, have guests try to locate it in the catalog. Give the first guest to find it and stand up and tell about it (item number, price, etc.) a candy kiss or something small. Let the presenters know they could do this for money by signing up to be a Scentsy Independent Consultant!

## SCENTSY SEARCH GAME

This is a great way to have guests browse through all the products in the catalog.

Choose an item in your display that is small and not prominently displayed in the catalog. Name and describe it for the guests. The first person to find it wins that item.

## SCENTSY SCRAMBLE

Write scrambled Scentsy words on a piece of posterboard and place it in front of your display table. When you give a signal, have guests race to unscramble the words. Here are some examples:

1. UNLATSNTOC (Consultant)
2. ESCLCEINRTC (Scent Circle)
3. YOOSRRPMA (Room spray)
4. IGFT (Gift)
5. TBNSYCARE (Scentsy bar)
6. RAESRMW (Warmers)
7. BYKAER (Bakery)
8. TSYCVSEEOARNTSF (Scentsy favorites)
9. THSO (Host)
10. OJIN (Join)

## FAVORITE FRAGRANCES

Have one guest start by telling what their favorite Scentsy scent is. The next person repeats the first person's favorite scent and then adds theirs. See if you can get around the room with everyone remembering all the previous players' scents.

## ASK ME ABOUT MY JOB

You'll need two sets of playing cards. Make 12 sets of matching pairs using cards from each deck.

Have the guests ask you 12 things about your job. For each question, give one card of a matching pair to the inquirer and drop the other matching card into a drawing box. At the end, draw one card. The person holding the matching card wins a prize.

## SCENTSY Q&A

Have fake money and several small prizes on hand. Hold a Q&A session and, for each question a guest asks you about a product, being an Independent Consultant, or hosting a party, give them a fake \$100 bill to spend on prizes after the session.

## GUESS THE SCENT

Have guests close their eyes as you pass around a Scentsy bar. After the bar goes around, either ask guests to write down what they think the scent is or shout out the answer. The guest with the most correct answers wins!

## SCENTSY WORD GAME

Have guests make as many words as they can from the word SCENTSY. The guest with the most words wins.

## SCENTSY BRAINSTORM

Select an item from your kit and have guests brainstorm ways to use it other than the way it was intended. The one with the most “suggestions” wins!

This can get really fun and help sell an item!

## RIGHT FAMILY LEFT/RIGHT GAME

Left/Right games are lots of fun and always get guests laughing. There are a few ways to play; read the variations and decide which will best fit your style or that of the group you’re entertaining.

Props: Use a wrapped gift or a gift bag with either a gift inside or a piece of paper that says “winner.” Variation #1 is to have one gift/bag for each guest (but not each “gift” or bag will have a gift inside, though); Variation #2 is to use only enough gifts/bags proportionate to the size of the crowd.

To play the game, tell guests you’re going to read a story and that, every time they hear the word “right” or “left,” they must pass their gift/bag in that direction.

Here’s the story:

The RIGHT family had just finished dinner. “I’m going to look for a job,” said mother RIGHT. “There’s no money LEFT in the savings account and with school clothes and Christmas RIGHT around the corner, I don’t know how we’ll manage.” “A job?” asked Sue RIGHT. “But who will pick me up after school and drive me to soccer and boy scouts?” Billy RIGHT asked Mother RIGHT as he LEFT the kitchen. Mother RIGHT said to Father RIGHT, “I’ll find something part-time that I can work RIGHT around the kids’ busy schedules.” The telephone rang and Father RIGHT LEFT to answer it. He rushed back into the kitchen and told Mother RIGHT that it was Aunt Mary RIGHT on the phone wanting to let her know she just LEFT an interview and was coming RIGHT over to tell her about it. Aunt Mary RIGHT arrived and Mother RIGHT LEFT the dishes in the sink to join her in the living room. “I’ve just joined Scentsy,” said Aunt Mary RIGHT as she handed Mother RIGHT the Scentsy catalog. “As a Scentsy Consultant, I not only book and present at parties, but I also sponsor other consultants to sell our merchandise. You could earn free merchandise if you host a party,” Aunt Mary RIGHT said. “I’d appreciate it if you’d let me know of anyone who might like to earn some extra money, too. It’s a fun, flexible job that can be worked RIGHT around the busiest schedules,” said Aunt Mary RIGHT as she LEFT to rush home to call a few friends about the opportunities she had to offer! Sue RIGHT, Billy RIGHT, and Father RIGHT were looking at the catalogs LEFT by Aunt Mary RIGHT and Mother RIGHT was reading about becoming a consultant. The RIGHT family was very impressed and interested in the Scentsy opportunity! The entire RIGHT family went to bed that night thinking about their favorite scents and Aunt Mary RIGHT. Sue RIGHT thought about the great Host Rewards she could earn, Father RIGHT thought about the vacations they could afford, and Mother RIGHT thought about the extra money she could earn as a Consultant. She had LEFT the catalogs on the table near the phone so she could call Aunt Mary RIGHT in the morning with some questions. This is all that’s LEFT of our story, except we hope that you do the RIGHT thing and book a party or become a consultant...isn’t that RIGHT?

## LOOK AND BOOK

Help your guests visualize the benefits of hosting a Scentsy party! Pick a guest seated in a fairly large chair and start piling on the free merchandise she or he could earn with a \$500 party. Ask another guest to keep a total of how much the possible Host Rewards add up to.

## BLUE LIGHT SPECIAL

This game is based on the famous K-mart concept. Build excitement by setting a timer when you begin demonstrating your products. The item you’re holding when the timer buzzes is on sale for the duration of the party.

## SPELL DOWN

Have all guests stand. The first person says the first letter in “Scentsy” (S), the second person says the second letter (c), etc. Each time someone says a vowel, they must sit down. Continue spelling the company name until only one guest (the winner) is left standing.

## ARE YOU LISTENING?

Change this game a little if you have repeat guests. Talk about yourself: Give your name, the names of your significant other and your children, share how long you’ve been married, how long you’ve been selling Scentsy, your fundraising sales total from last year (opens the door to talk about fundraisers), trips you’ve taken, etc. Do this while passing out catalogs and pieces of paper, and just casually walking around. When you finish with your speech, ask guests to write down your husband’s name on the sheet of paper you’ve given them. You’ll hear several guests admit they weren’t listening—and you’ll now have their attention for the rest of the party!

## “FREE” GAME

This game really keeps the group’s complete attention—they’re sure to hang on your every word! Supplies needed: two or more decks of cards and your imagination.

At the beginning of your presentation, tell all guests that the first person who yells out “I want it” when you say the word “free” will get a card. Tell them to keep cards face down and not to peek. At the end of the presentation, you’ll have the guests total their points as follows, and the guest with the highest score wins.

2-10: Worth face value  
Jacks, Queens, Kings: 25 points  
Aces: 50 points

Be sure to mention the word “free” as many times as possible during your presentation. Use phrases such as: “You will receive FREE merchandise if you host a party...”; “This warmer will look great in that FREE spot on your coffee table...”; “...when you have FREE time...”; “...wouldn’t you like this for FREE...” It’s fun to trick guests, too. For example, flip to a page on your flipchart with “free” written on it—but substitute the words “at no cost.” You’ll inevitably have a few guests jump the gun. If you can’t tell who says the word first, give cards to anyone who says it.

## GAMES THAT ADD UP

For these fun and easy math games, have your guests add up their points, and give a small prize to the highest scorer.

## POINTS POEM

I wonder who came here from afar,  
Give yourself 5 if you came by car.  
Were you on time? Not a minute late?  
Punctuality pays, so give yourself 8.  
A necklace gives you 5, and earrings 3.  
Glasses are 9 more when they are on you,  
10 points more if your eyes are blue.  
Score yourself 5 if you wear any pink,  
But take away 10 if you left dishes in the sink.  
Count all your buttons, each gives you 1,  
Except if they’re white, and then you get none.  
Each bow is 1 point, but safety pins are taboo,  
So, for each one you’re wearing, take away 2.

### POINTS POEM (cont'd)

Open-toe shoes are quite fine,  
So give yourself 10 if you're wearing that kind.  
Now here's a chance to score you better:  
Add 6 points if you're wearing a sweater.  
1 point for each year that you have been wed,  
But take away 5 if your hair is red.  
Now daughters are sweet, and on that we agree,  
So, for each one you have, you may now add 3.  
But when adding up points, boys are worth more,  
So, for each one of your sons, go ahead and add 4.  
If you kissed your husband or boyfriend today, add 12,  
But into your personal life I must delve:  
If you kissed them both, you must subtract 20,  
Because you're in trouble and trouble aplenty.  
Now that's all there is, so total your score,  
(Except if you're a special friend, there's more).  
It's a 50-point bonus for V.I.P.  
If you'll be a Host for Scentsy and me!

### NUMBERS GAME

Have a few additional small gifts on hand for #5.

1. Give yourself 1 point for every year of your age.
2. Give yourself 25 points if you're wearing blue today.
3. Give yourself 1 point for every piece of jewelry you're wearing.
4. Give yourself 10 points if you're wearing contacts and 15 if you're wearing glasses.
5. Give yourself 40 points if you brought a guest with you today. (At this time, hand the guest a small gift for bringing a friend.)
6. Give yourself 15 points if you drove more than 15 miles to get here today.
7. Give yourself 30 points if you're having a great time. (Say, "I want to see everyone writing!")
8. Give yourself 50 points if you plan on booking a party today so your Host can earn Host Rewards.
9. Give yourself 25 points for each checkbook with you tonight.
10. Give yourself 10 points for EVERY credit card you have with you tonight and remember Scentsy accepts VISA, MasterCard, American Express, and Discover.

1. 1 point for each penny
2. 25 points if you have no pennies
3. 5 points for each penny minted between 1980 and 1985
4. 10 points for each penny minted prior to 1965
5. 2 points for each nickel
6. 3 points for each dime
7. 4 points for each quarter
8. 10 points if you have at least 1 penny, 1 nickel, 1 dime, and 1 quarter
9. 5 points if you have at least a total of one dollar in change
10. 5 points for each foreign coin

### RECRUITING GAME

If any selling you have done before, put down 10 as the start of your score.

If you have a car and are able to drive, the thing you must do is just add 5.

A little spare time will add to your score; for this you may add 15 more.

If you like people and think they are grand, add 6 more to see where you stand.

Add 10 points if you think parties are fun, and when you add this you are almost done.

If you score the highest, it is plain to see, a Scentsy Consultant is what you should be.

### HOW GREEN ARE YOU?

1. Do you have a green house? (10 points)
2. Do you own a green car? (5 points)
3. Are you wearing green? (15 points)
4. Do you have green eyes? (20 points)
5. Do you own a green rug? (5 points)
6. Do you own a green ring? (10 points)
7. Do you own a green chair? (10 points)

10. Do you own green shoes? (5 points for each pair)
11. Are you "green with envy today," and would like to find out more about being a Scentsy Consultant? (50 points)

## GAME SHOWS/AUCTIONS/BINGO

### THE PRICE IS RIGHT

This game is a great way to show off Scentsy products. Display four Scentsy items and put incorrect prices next to each. Have guests match the prices with the correct items. You can even base the whole party on a Price is Right theme and have “commercials” for booking gifts, Host Rewards, and more.

To get everybody involved, put all guest names in a hat or bowl and draw four names. These four guests “bid” on an item (guess the price), and the person who comes closest gets to play the game. Repeat as many times as you’d like to play the game.

### SCENTSY ITEMS AUCTION

Auction parties are used to increase sales and bookings and encourage prompt payment. You’ll need play money and wrapped prizes (two for every five guests).

Once everyone has placed their Scentsy orders, distribute the money as follows and then begin auctioning off the wrapped items. The highest bidder gets the item.

- \$100 for attending the party
- \$200 for bringing a friend
- \$100 for placing an order
- \$200 for an order over \$40
- \$200 for paying for the order at the party
- \$200 for booking a party
- \$300 for booking a party to be held within two weeks
- \$500 for requesting information about becoming a Scentsy Consultant

### BINGO

Put a few prizes on display. Using a child’s bingo set, give each guest a card and some disks. Start at one end of the room and have each guest call a number that she needs. The first guest to get a bingo wins.

These variations can add even more fun and help you achieve your party goals:

- 1) The guests may cover their Free Space only if they book a party.
- 2) Guests may earn additional cards if they’ve hit certain order totals (set dollar-amount qualifications beforehand).
- 3) Pass it on Bingo: After each number is called, guests must pass their card to the person on their right.

## HOW WELL DO YOU KNOW?

### TIC TAC TOE

#### SCENTSY TIC TAC TOE

Tape a piece of paper—each with a different Scentsy item written on it—to each guest's back. Then have guests draw a Tic Tac Toe square on a separate sheet of paper and circulate throughout the room, filling all nine of their squares with the names of items found on the other guests' backs. When everybody has finished, play Tic Tac Toe "bingo" by calling off names of the items. The first guest to complete a straight line wins.

As an alternative, have guests cross off items as you present them during your demo.

#### SCENTSY TIC TAC TOE II

Have guests draw a Tic Tac Toe square on a piece of paper and write down the names of any nine items you have on display in the squares. Guests should mark off their items as you demo them during the presentation. The first guest to get three in a row and stand and shout "Tic Tac Toe" wins a prize!

### GUEST LIST GAMES

#### THE PEOPLE YOU KNOW

Have each guest write the names of two friends, two relatives, two co-workers, two neighbors, and two members of their church or gym. Award a prize to the first person finished. After everyone is finished, tell them they've just made a guest list for a home (or basket) party!

### GUESSING/TRIVIA/RIDDLE GAMES

This section contains tons of fun trivia games and riddles sure to keep your guests guessing. If you're so inclined, you can give small prizes to the winners. ### QUANTUM LEAP

Read the following and have the guests make a mark on a piece of paper every time they hear the name of a TV show. The one closest to the correct total wins!

I was THIRTY SOMETHING, living through THE WONDER YEARS with my FAMILY and my husband, taking ONE DAY AT A TIME. We were doing okay, but THE FACTS OF LIFE were that we were not born with SILVER SPOONS in our mouths. Our savings were in JEOPARDY and we didn't want to be in debt for the rest of the DAYS OF OUR LIVES. I finally told my husband, "It's time to get out of THIS OLD HOUSE or at least make some HOME IMPROVEMENTS. I don't want to start a FAMILY FEUD, but I'm YOUNG AND RESTLESS and I want to contribute to the family finances. It's time for me to GET SMART. Don't be THE CRITIC, I'm IN SEARCH OF / AMERICA'S MOST WANTED job!"

FAMILY MATTERS to me and I don't want to miss out on PRIME TIME with the kids by hiring THE NANNY. Scentsy offers a great opportunity. THE PRICE IS RIGHT—a very small investment! Part-time work with full-time pay! And WHO'S THE BOSS? I am! But could I get up in front of a FULL HOUSE of PERFECT STRANGERS for 60 MINUTES and tell them how to take home their BOLD AND BEAUTIFUL Scentsy products and become DESIGNING WOMEN? "Sure," my Director said. "We'll be here to COACH you and if you need a GUIDING LIGHT, just call!" Of course, I have experienced some GROWING PAINS, but I was able to spread my WINGS and watch my business BLOSSOM. Scentsy has made me feel I am part of A-TEAM. I have GOOD TIMES at home with ALL MY CHILDREN. My family has extra income and we've even added PICKET FENCES! My husband CHEERS when my weekly paycheck arrives!

Soon, I'LL FLY AWAY to PARADISE...a dream vacation for which Scentsy will pay. My husband and I will be like HONEYMOONERS again, sharing HAPPY DAYS in ANOTHER WORLD. Scentsy may not be for everyone; as they say—DIFF'RENT STROKES for different folks! But, if you are MARRIED WITH CHILDREN and have strong FAMILY TIES, I highly recommend Scentsy to you!

"Why ALL the excitement?" asked my husband. "If you'd use some of that energy to keep the house SPIC 'N SPAN and get the laundry done, I might have enough clean clothes to TIDE me over." "So, you think housework is a BREEZE," I retorted. "Here's the WHISK broom...now, why don't you climb down from your IVORY tower and give me a hand?" "And, as for the laundry, I thought I WOODBURY it in the backyard." "One more BOLD remark like that," he replied, "and I'm going to DIAL the dress shop and cancel the order on your new CHIFFON dress. Instruct the guests to feel it and write down what they think is inside. They should be very specific. For example, if they think it's a candle, they should write the color of the candle.

If you use an item from the catalog, have the guests reveal their answer after you conclude your presentation. The guest whose guess is closest to the actual item is the winner.

## PIE GAME

Have guests write down the names of four pies. Call off names of pies one at a time from your own, longer list, and have guests with that pie listed call out, "I ate it." The first one to mark off all four pies on their list and say, "I ate the whole thing" wins a prize.

Here are some pie examples: Banana Cream, Pumpkin, Mince Meat, Cherry, Blackberry, Chocolate, Apple, Egg Custard, Pecan, Sweet Potato, Peach, Lemon Meringue, Coconut Cream, Raisin, Blueberry

## JUST FOR FUN GAMES

### BARNYARD ANIMAL GAME

On a slip of paper, have everyone write down their favorite barnyard animal (but NOT the rooster) and five different numbers between 1-20 (depending on the group size).

Start calling out numbers. When someone hears any of their numbers called, they have to make the sound of the animal on their paper. Barnyard animals are not shy, so there should be a lot of loud sounds. When a guest has had all five of their numbers called out, they win. BUT they have to stand up, bend their knees, flap their "wings," and crow like a rooster to receive their prize.

## SUCK THOSE BEANS

This game works well if you have a lively crowd (or if you'd like to liven them up). Give everyone a straw; 10 large dried lima beans (or dried peas, M&Ms, or any small object that can be held at the end of a straw); a small paper cup; and a manila folder.

Have everyone put the straw in their mouths, dump their beans onto their folder, put the cup right side up on the folder; and then hold the folder with both hands. At the count of three, everyone must start sucking so that a bean hangs onto the bottom of the straw, and keep sucking as they move the bean over the cup and drop it in. Everyone must keep both hands on their folders; no laps or tables allowed! First one to get all 10 beans in their cup wins!

## OUT WITH THE OLD

Give each guest an index card and tell them to list a household item they would like to get rid of and five reasons why they want to get rid of it. After everyone is done writing, tell them to cross out the name of the item and replace it with their significant other's name.

Then in turn, have them say, "I want to replace (name of significant other) because he/she is..." and read their reasons.

Everyone loves this game! The guest with the most outlandish list wins.

## IT'S A SHAME

You will need two decks of cards, and several game prizes wrapped and on display. Give each guest 3-4 cards out of one of the decks. From the second deck, call the cards one at a time by name and suit. The first guest with

### *IT'S A SHAME (cont'd)*

a card matching one you've called chooses a gift, takes it to her seat, and hides it behind her back, under her catalog, etc. When all the gifts have been taken, continue to call cards—but now, the guest with the named card must say, "It's a shame, but I want the gift that [name] has" and steal the gift from that person. When you have gone through the second deck, the guests with the gifts in hand get to keep them.

### **HOT POTATO**

Hand a guest a wrapped gift. Turn your back and tell the guests to start passing the gift around as fast as they can. When you say "Scentsy," the passing stops, and the person with their hands on the box must sit down. Repeat this until only one person is left. She is the winner and gets to keep the gift.

### **PASS THE GIFT**

Give a small wrapped gift to the Host, then have the group pass it around according to either set of instructions below. The guest holding the gift at the end gets to keep it.

#### Version 1

You can't keep the gift but please no tears.  
Give it to the one you've known for the longest amount of years.  
Take the gift and look around,  
and give it to someone with eyes of brown.  
Please look around with eyes discreet  
and give it to the one with the cutest shoes on their feet.  
Now you pass the gift to someone who is short or small  
And now hand it to someone who is very tall.  
Please, take your time and don't be harried.  
Give it to the one who is longest married.  
You must be proud of your married life,  
But you must pass this on to the newest wife.  
You can't keep it, you must share.  
Please pass it to the one with the longest hair.  
We come here to party, to shop, and to dine  
Pass to the one who will likely drink the most wine!  
Some of you walked, some came in a car  
The gift now goes to the one who came from afar.  
She doesn't get to keep it, so please have pity  
You have to pass it to someone who was born in this city.  
We're still going to pass it, it's not going to linger  
So pass it on to the gal with the most rings on her fingers.  
You still have a chance so have no fear  
If you are the one with a birthday near.  
Now don't get cross and please don't fight,  
But pass it to the person who is the fifth on your right.  
We should stop now, don't you agree?  
The gift is yours to open and see.

#### Version 2

Pass to the lady who arrived first  
With the most children  
Who is the tallest  
Who's been married the longest

### **PASS THE GIFT (cont'd)**

With the largest earrings  
With the most grandchildren  
With the most buttons  
Who lost the most weight

On the right  
And she wins!

### **PIN DIVE**

Fill a large mixing bowl half full with rice. Mix in about 50 safety pins. In turn, blindfold each guest and have them try to grab as many pins as they can in 30 seconds. You'll be amazed at how competitive everyone gets!

## THE FROSTY FAMILY LEFT/RIGHT GAME

Use a wrapped gift or a gift bag with a gift inside (or several, depending on the crowd size).

Hand the gift(s) to a guest(s). To play the game, tell guests you're going to read a story and that, every time they hear the word "right" or "left," they must pass the gift/bag in that direction. The person holding the gift at the end gets to keep it!

Here's the story:

Once upon a time in Snowman Land there lived a lonely snowman. One day, as he LEFT for work, he saw a cute snow lady who had moved in RIGHT next door. After work that day, he was determined to meet that snow lady RIGHT away. RIGHT off the bat, they fell in love. After a short engagement, they were married and LEFT, that's RIGHT, they LEFT on their honeymoon RIGHT away (to the North Pole, of course). Well, by the time they returned, they had a bouncing little snow baby. At that time, Mama Frosty decided it was time she LEFT her high-stress job in the city and become a Scentsy Consultant. She could work RIGHT from home and she started making money RIGHT away and soon learned it was a perfect business for a young mother. The only thing that worried her was hearing that so many of the Consultants earn trips to Hawaii and that idea LEFT her melting a little. RIGHT then she decided to earn trips to China or Switzerland or other places that LEFT her feeling more solid! Scentsy could be RIGHT for you, if you need flexibility in your life. Mama had much more time for her snow kids and they were always glad she was RIGHT there whenever they had one of their big snowball fights. RIGHT off the bat, someone would get hit RIGHT in the eye or RIGHT in the nose or the sneaky little guy would get them RIGHT down the back. They always needed Mama to remind them that snow kids don't get too hurt from the snowballs, so that LEFT them feeling much better. Special times are always RIGHT around the corner in Snowman Land. So, you on my RIGHT and you on my LEFT (I am not sure I said LEFT as often as I did RIGHT so here: LEFT, LEFT, LEFT... that's RIGHT), I have a party to do RIGHT now...so let's do a LEFT, LEFT, LEFT... RIGHT, that's good. And now let's go straight to the lucky person who gets to keep our special snowball gift and watch them open it RIGHT away.
